Michelle:
Unfortunately, PMX did not enter our DAD orders when they were sent on 6/4.....
We identified the issue on 6/16...when the distributors did not receive shipments per the delivery request. We re-placed the DAD orders with overnight/2 day delivery and expect that all kits will be at wholesale by 6/19.....with a retail run date of 6/30!
Please call if further clarrification is needed!
Thanks, TAE
